# Third Quarter Financial Results Fiscal Year 2009 (Ending March 2010) 

J anuary 29, 2010

## SEIKO EPSON CORPORATION

## Disclaimer regarding forward-looking statements

The foregoing statements regarding future results reflect the Company's expectations based on information available at the time of announcement. The information contains certain forwardlooking statements that are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. Such risks and uncertainties include, but are not limited to, the competitive environment, market trends, general economic conditions, technological changes, exchange rate fluctuations and our ability to continue to timely introduce new products and services.

## Numerical values presented herein

Numbers are rounded to the unit indicated.
Percentages are rounded off to one decimal place.

## Changes to business incubation projects included under "Other" segment

- In line with the structural reforms for the electronic device businesses announced in March, corporate R\&D on some of the business incubation projects that we plan to bring to market will be charged to other segments instead of being allocated to the "Other" segment.
- This will result in a change to the disclosed profit and loss figures for each segment starting from fiscal 2009.
■ In the slides showing the fiscal 2009 outlook, fiscal 2008 segment profit and loss figures have been adjusted for the purpose of comparison.

## Business Environment

## View of external environment

- Since our previous outlook on October 29, markets have slowly begun to recover due to economic stimulus measures introduced by countries around the world
- Corporate investment appetite has also begun to recover
- These conditions have reduced uncertainty in the fourth quarter

## Situation in main businesses

Corporate appetite for investment in products for enterprise is slowly recovering.
Demand for electronic devices held steady throughout the third quarter, and normal seasonal fluctuations expected in fourth quarter.

## Information-related equipment

- Consumer products held steady due to highly competitive products $\rightarrow$ We will continue driving printer sales programs in the fourth quarter to further promote a business recovery and consolidate our revenue base in fiscal 2010.
- Recovery for POS and projector products for enterprise Electronic devices
- Demand for HTPS panels for projectors, crystal devices and semiconductors held steady throughout the period
- Normal seasonal fluctuations anticipated in fourth quarter, but capacity utilization should remain steady
