# Third Quarter Financial Results Fiscal Year 2018 (Ending March 2019) 

January 31, 2019

## SEIKO EPSON CORP.

## - Disclaimer regarding forward-looking statements

The foregoing statements regarding future results reflect the Company's expectations based on information available at the time of announcement. The information contains certain forward-looking statements that are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. Such risks and uncertainties include, but are not limited to, the competitive environment, market trends, general economic conditions, technological changes, exchange rate fluctuations and our ability to continue to timely introduce new products and services.

## - Note regarding business profit

Business profit is calculated by deducting cost of sales and SGA expenses from revenue.
Although not defined in the statement of consolidated comprehensive income, this indicator is very similar to the concept of operating income under J-GAAP. Epson will present this information as a reference, as the Company believes users of financial statements will find it useful when evaluating Epson's financial performance.

## - Numerical values presented herein

Numbers are rounded down to the unit indicated. Percentages are rounded off to one decimal place.
Years mentioned in these materials are fiscal years unless otherwise indicated.

\& Eliminations

## Main Factors Affecting Q3 Results

■ The Chinese economy decelerated more than anticipated in Q3

- Market growth slowed and channels reduced inventory
$\checkmark$ Impacted many businesses, mainly high-capacity ink tank printers, robots, SIDM printers \& microdevices
■ Currency devaluation and economic stagnation continued in Latin America and some other emerging regions
- Finished product sales soft across the quarter
- Ongoing discounting of ink cartridge printers by competitors in advanced economies
- Epson maintained prices and focused on transitioning the business model to high-capacity ink tank printers

## Strategic Progress

■ High-capacity ink tank printer growth

- Growth continued, though the effects of market environment changes were felt
- Continued preparations to upgrade our lineup/ services to capture larger demand from the office market
■ High-speed linehead inkjet multifunction printers
- Customer and channel recognition growing; sales steadily increasing
- Preparing to expand and enhance our lineup
- Continued expansion in priority areas in professional printing
- Advanced preparations to expand product lineup in sync with PrecisionCore printhead production capacity expansion; negotiating external sales of printheads
■ Developing next generation projectors and robots
- Rate of high-capacity ink tank printers increasing in Asia-Pacific and Latin America
- Capture office print demand

## Q4 Assumptions

$■$ Factored in risks associated with changes in external environment

- Slowdown in economic activity to continue
- Execute actions to expand sales of high-capacity ink tank printers, which are starting to displace laser printers
■ Further tighten spending and investment in response to tougher business environment
■ Stay on track in preparations for future growth
