

Materiality	Key Sustainability Topics	Examples of Medium-Term Actions
Achieve sustainability in a circular economy	Decarbonization initiatives	Using renewable energy and energy-saving equipment and facilities, removing greenhouse gases, engaging suppliers, and pursuing carbon-free logistics
	Closed resource-loop initiatives	Using resources effectively, minimizing product loss, ensuring long use of products (refurbishment, reuse, etc.)
	Customer environmental impact mitigation	Reducing power consumption, extending service life (providing long-term corrective maintenance), scaling down production equipment
	Environmental technology development	Applying Dry Fiber Technology, using naturally derived (plastic-free) materials, recycling raw materials (metals, paper)
Advance the frontiers of industry	Improving productivity through digitization and automation	Transitioning to distributed production, local production, and low-volume high-mix production; driving printing innovations; supporting diverse customer needs; innovating production processes and printing processes through the application of inkjet technology
	Improving working environment and educational environment	Creating clean, space-efficient workspaces, relieving labor shortages through automation, supporting remote learning and remote work, creating a fair and high-quality learning environment
Improve the quality of life	Proposing diverse lifestyles	Providing personalized health support and safety services that reassure; providing products that are immediately adaptable to lifestyle changes
	Realizing an abundant and colorful life	Providing products such as high-quality watches with appealing designs, expanding products and services in spatial design and art
Fulfil our Social Responsibility	Increasing stakeholder engagement	Responding to needs and social demands by strengthening dialogue with customers, shareholders, investors, suppliers, NGOs/NPOs, international organizations, employees, and potential stakeholders
	Realizing responsible supply chains	Carrying out socially responsible activities that promote human rights and good environmental practices throughout the supply chain, and stably providing customers with products and services by strengthening business continuity management
	Respecting human rights and promoting diversity	Preventing harassment and respecting human rights, utilizing human resources in a way that respects diversity, recruiting and developing human resources, and creating a free and open organizational culture
	Strengthening governance	Accelerating and ensuring the transparency of management decision-making, improving the risk management system, ensuring 100% compliance, and strengthening information security
